Indigenous Peoples Day Committee
1700 Shattuck Ave. #97, Berkeley • California 94709 • (510) 595-5520

We are so excited to be welcoming you all again to this year’s LIVE 2021 Indigenous Peoples Day PowWow event, celebrating 29 years of Resistance and Renewal! This year’s PowWow will be held on Saturday, October 9, 2021 at Civic Center Park in Berkeley.

Coming out of the sheltering-in period and back into community once again, we are doing everything we can to make this a warm celebration as well as to find ways to encourage group safety. As such, we will be implementing the following COVID 19 vendor safety protocol protections:

- This year’s space between booths will be increased from 4 feet to 10 feet
- Everyone in the booth, including children, MUST wear a mask at all times
- All vendors will provide one pump-style hand sanitizer at each side of their booth available for customer use, and at least 1 in the rear of the booth for vendor staff use. Please bring extra sanitizer in case you run out
- Burning of native herbs, grasses, copal throughout the day is not allowed after 11am at/or behind vendor booths. This allows singers, dancers, elders and health-compromised attendees/other vendors to enjoy the powwow without undue stress to their lungs.

It is unfortunate that the pandemic and an altered climate require us to implement the above policies. The IPD Committee’s utmost responsibility is the health and safety of all participants. We trust that our vendors share the same priority for life and will comply with any Powwow Volunteer sent to your booth as a reminder. Your support and follow-through is deeply appreciated.

If you would like to participate in this year’s event, please fill out our application and return it to me along with pictures of your booth space, preferably by email, at vendors.ipdpowwow.berkeley@gmail.com. Please make sure you fill out all the spaces in the attached application clearly and legibly.

PLEASE DO NOT SEND PAYMENT WITH YOUR APPLICATION.

Please note that the pictures of your booth must accurately reflect ALL examples of what your collection will include. It must abide by the standards listed on our application, adhering to the Vendor Declaration you will sign on the last page of the application.

I apologize in advance to those that we cannot invite back as vendors this year due to the increased space between booths. We are grateful to be able to have a live event and begin to get back to normal in a safe way. We all look forward to coming years when we can resume our celebration with more members of our PowWow family.

All My Relations,

Hallie Frazer
Vendor Booth Coordinator
